

Celebrating Excellence Visual Works at the DUT FAI Awards

Being a supplier is one thing. Being a partner in progress is everything!

Visual Works was honoured to attend and take part by presenting awards at the Durban University of Technology's Faculty of Accounting and Informatics Awards Ceremony. The categories were:

- Promote a Democratic Culture Award
- Develop Efficient Processes Award
- Service Delivery Award &
- Resources for Effective Learning Award.

As a company, committed to advancing education through innovative technology, it was a proud moment to present awards to such inspiring recipients. The event was a true celebration of dedication, hard work, recognition and academic excellence. Being surrounded by students and staff who continuously strive for greatness reminded us, why we do what we do.

Congratulations to DUT for once again raising the bar. Your commitment to excellence and innovation resonates deeply with our own values.

Visual Works is proud to be your supplier, your partner, and a supporter of the next generation of change makers. Here's to building a smarter future, together!
